

# LOUISIANA CONTRACTORS ACCREDITATION INSTITUTE

The Louisiana Contractors Accreditation Institute is reinforcing the foundation of the state's construction industry through a partnership between Louisiana Economic Development, the Louisiana Community & Technical College System and the Louisiana Small Business Development Center Network. LCAI offers small and emerging construction businesses a management-training program that provides a basic understanding of the construction industry, a review for the Louisiana Contractors Licensing Exam and continuing education course credits. To get ahead in the industry, LCAI can help you build on the state's growing construction opportunities.

## PROGRAM SPECIFICS

- The class is offered year round with an in-class distance learning session in the fall and online training the rest of the year
- No qualifications required to enroll
- The fall session is a six-week program (two-hour evening classes, twice a week)
- Attendance of at least 10 to 12 classes is required
- Nominal course fee
- Space available on a first-come, first-serve basis

## COURSE TOPICS

This program offers a small and emerging construction business critical information on subjects that can significantly impact day-to-day operations. Program topics include:

- Contract management
- Estimating
- Scheduling
- Occupational safety
- Louisiana Contractors Licensing Exam review
- And more
